

IC251 - Action Required, All Countries to Rank Applications by 1st December 2008.

18th November 2008

All Countries and the North American Region are required to rank their sailors for the 2009 World Laser Radial (Women, Men and Youth), Laser Standard and Laser Masters Championships.

The deadline for ranking applications for entry is before 1st December 2008. ALL COUNTRIES PLEASE ACT NOW.

For full instructions on ranking sailors please refer to International Circular IC245, which was sent on 24th September 2008.

Any Countries that have not ranked their sailors by the 1st December 2008 will lose their allocated places. Also, any allocated places in excess of the number of ranked sailors for each championship will be lost for the Country, e.g. if you have 5 allocated places and only 3 ranked sailors on 1st December 2008, the 2 spare places will be returned to ILCA for distribution to other Countries.

Please rank all of your sailors even if there is only one sailor or if you have more sailors than allocated places. E.g if you have 8 sailors and only 5 allocated places please rank all sailors from 1-8. Sailors 1-5 will be given the allocated places but if any of the places are not taken up by the sailor ILCA would offer the place to the next ranked sailor on your ranking list.

There is the possibility for a Country to complete a later ranking of their sailors however the Country will need to declare a late qualification date and pay immediately for all of the reserved allocated places on behalf of the sailors. In IC245 this procedure is described in detail.

If you are having any problems ranking your sailors, declaring a late qualification date or if you would like to be re-sent your login details please contact the ILCA Office urgently.
