Application forms & Charter boats:

Sailors who may be interested in attending the championship must complete the application form on the ILCA website.

There are limited charter boats available. Sailors must select the correct application form when making their application to be considered for a charter boat.

Completing an application form does not commit a sailor to attend the championship, it simply registers their interest to attend.

The deadline for receiving applications for entry is 16th January 2008.

Sailors who not complete an application form will not be able to attend the championship.
