

**IC255 - CORRECTION for Application deadlines for World Laser 4.7 Championship 2009.**

12 January 2009

There is now less than 7 days left to make applications for the 2009 World Laser 4.7 Championship.

In the email sent on the 9th January we wrongly displayed the allocation of places for your country. Please accept our apologies for this error, below is listed the correct information for your allocations and applications received so far.

Please can all National Laser Associations ask any of their sailors who may be interested in attending this championship to complete the relevant application form on the ILCA website urgently ( <http://events.laserinternational.org/en/application/select/100z40> ). If possible, please publish this information on your website and send an email to any sailors from your country that meet the age criteria.

Completing an application form does not commit a sailor to attend the championship, it simply registers their interest to attend, sailors who have not applied will not be able to enter the championship. The deadline for receiving applications for entry is 16th January 2009.
