

# **IC256 - Increase of entry limit to the 2009 World Laser Senior Standard Championship - Halifax, Canada.**

**15th January 2009**

Due to the high level of interest in the 2009 World Laser Senior Standard Championship and the availability of an extra 20 Lasers, the entry limit for the 2009 Championship has been increased from 160 to 180.

The extra 20 places have been allocated using the standard formula used for all championships. An extra initial allocated place has been offered to:

Czech Republic  
Denmark  
Finland  
France  
Germany  
India  
Ireland  
Italy  
Korea  
Lithuania  
Luxembourg  
North America  
Oman  
Peru  
Poland  
Portugal  
Thailand  
UK  
Ukraine  
US Virgin Islands

If the 20 places are not used by these countries then they will become available as extra places to other countries following the normal ILCA extra place process.
