Keep July 17 to 20 free for the premier mid-winter sailing event of 2009—the **South Pacific Laser Masters** at Royal Queensland Yacht Squadron.

This annual Masters (35+) event is now established on the Australian and New Zealand Laser sailing calendar with its popularity growing every year. Last year, competitors from as far a field as Adelaide, Perth, and New Zealand attended making it a truly regional event. Last year the event was also the first event included in the PSA Laser Masters series.

Held over four days on Waterloo Bay, loan / charter boats will be available. Contact the QLA for details of loan boats (gjkemp@aapt.net.au) or Michael Mills at PSC for charters (michael@lasersailing.com.au).

Don't miss out—Notice of Race and entry forms will soon be available on the QLA website (www.qldlasers.com).
