

ISAF Sailing World Cup – Sail Melbourne 2010

Sandringham Yacht Club

12 – 18 December 2010

Sensational Logistics Offer – Big savings!

Sail Melbourne is pleased to announce a logistics partnership with Pacific National and Linfox for the 2010 Sail Melbourne event.

Sail Melbourne organizers, in partnership with Pacific National and Linfox, are offering all competitors taking part in the Perth Worlds test event in November a heavily subsidized logistics solution to transport boats from Perth to Melbourne.

Containers can be provided and once competitors have packed their boats into the containers at the conclusion of the Perth Worlds test event, they will be picked up from Fremantle on nominated dates and transported via rail direct to Sandringham Yacht Club.

The only cost competitors will have to pay for this service is AUD175.00 per boat if the booking is made by July 30th, 2010. Bookings can still be made after this and will attract an additional administration fee of AUD25.00 per boat. Please note, however, that all bookings MUST be made prior to August 30, 2010. The normal price applicable for transport only from Perth to Melbourne would be approximately AUD2,800.00 per container.

Early Bird Booking

Book before July 30

AUD175.00

Standard Booking

Book after July 30, before August 30

AUD200.00

The Victorian State Government and the Sail Melbourne team look forward to welcoming you to Melbourne as you take part in the first leg of the prestigious 2011 ISAF Sailing World Cup.

Further details and booking information will be available very soon. To register your interest and to find out more about this fantastic offer, please send your details and requirements to info@sailmelbourne.com.au
